Subject: Hunters Pt FOIA request from NBC news, due 8/10 - FYI - EPA previous msgs to Congressional offices re FOIA releases
Attachments: Hunters Point Naval Shipyard Greenaction FOIA Request; EPA responses to Greenaction FOIA request for Navy drafts and EPA comments

For reference - EPA already sent these attached previous msgs to Congressional offices re previous FOIA releases. They involved a large number (e.g. 85) documents, which are a lot for anyone, especially laypeople, to wade through to understand the most noteworthy aspects. The new release to NBC news has 167 documents. I tried to format the new cover note based on the most recent version that had been approved by Enrique, etc.

Also, Maeve has the ltr to the FOIA requestor, so I asked her to forward to the group.
